

400U/T Dump Body

*A continued tradition
since the early 1900's*

Tough & Versatile

The rugged design of the Galion 400U/T series body makes it ideal for heavy loading and hauling conditions. This product is suitable for contractor, municipal and other applications where durability is key. The 400U/T series is available with front mount telescopic or underbody hoist to meet your most demanding requirements. Known the world over, Galion bodies provide the ultimate in dump body engineering, longer lift and maximum performance.

- Available in 9' and 10' lengths

- Material-shedding boxed top rails

- For 72"- 84"CA

- 8 gauge floor and sides

- Double acting tailgate

- 6-panel tailgate

- Tarp-friendly upper gate hardware

- Full-depth rear corner posts

All Galion bodies are powder coated and Zinc Primed, providing Corrosive resistance that is 700% greater than industry standard paint processes.

A 23" cab protector is optional equipment on the 400U/T
